435:35-1-6. Supervision of provisional licensed dietitians

The purpose of this section is to set out the nature and scope of the supervision provided for provisional licensed dietitians.

(1) To meet licensure and licensure renewal requirements, a provisional licensed dietitian shall be under the supervision and direction of a licensed dietitian. "Supervision and Direction" shall be defined as the authoritative procedural guidance provided by a licensed dietitian and need not be routinely on site.

(2) Written reports of the provisional licensed dietitian's activities shall be provided to the supervising licensed dietitian at least quarterly and to the Board at its request. The supervising licensed dietitian shall submit to the Oklahoma State Board of Medical Licensure and Supervision, at six month intervals, a progress report on the provisionally licensed dietitian's progress toward full licensure.

(3) The supervising licensed dietitian must sign the application for a provisional license and the application for renewal of the provisional license.
