Having noted a quorum, Mr. Haynes called the meeting to order at 9:01 a.m. Mr. Joe Jekel, Public Member, was introduced and welcomed to the Committee.

Following Committee review, Mr. Titony moved to approve the minutes of August 19, 2016 as written. Ms. Ball seconded the motion and the vote was unanimous in the affirmative.

PRAJAKTA GANES NAIR appeared via web video in support of her application for Physical Therapist licensure. Her application is complete and she is currently licensed in Texas and Florida. She has been licensed for approximately two years and has been working as a therapist in Texas for a little over a year. She is also working on her transitional Doctor of Physical Therapy (“DPT”). Mr. Titony moved to recommend approval of Physical Therapist licensure for by endorsement. Mr. Jekel seconded the motion and the vote was unanimous in the affirmative.

BILLY JOHNSON appeared via web video in support of his application for re-entry of Physical Therapist Assistant licensure. His application is incomplete at this time. He was previously licensed in Oklahoma. That license lapsed in 2010, was renewed, and then expired again in January of 2014. He did not complete his continuing education timely for the 2011 cycle so he was assigned double hours and those have not been completed. His last practice date was 2012. Mr. Johnson explained he walks with the aid of a walker. He was told by employers he would not be able to work as a PTA due to his disability and he became very discouraged. He went back to school to take a different career path, but his heart is in physical therapy. He hopes to work in Poteau, Oklahoma for Choctaw Nation. Mr. Titony moved to recommend approving the application for re-entry of Physical Therapist Assistant licensure pending completion of 120 hours of continuing education, one-half to be live (Category "A") and the other half may be online (Category "B"), and 66 days of direct supervision with a temporary license issued pending completion of the file. Ms. Ball seconded the motion and the vote was unanimous in the affirmative.

DANIEL FORCUCCI did not appear in support of his application for Physical Therapist Assistant licensure. Ms. Teresa Mitchell advised the Medical Board Secretary cleared the file and a personal appearance was not required. Mr. Titony moved to recommend approval of the application for Physical Therapist Assistant licensure. Mr. Jekel seconded the motion and the vote was unanimous in the affirmative.

BARBARA FLACK appeared in support of her application for re-entry of Physical Therapist licensure. Ms. Flack's California license expired in 1995 and her Arizona license expired in 2004. She stated she was involved in a serious accident and her treating physician told her to discontinue practicing as a PT while she recovered. The applicant stated she taught acupuncture in the interim, but now has an opportunity to work with Indian Health Services. The Committee suggested she should look into the Federation of State Boards of Physical Therapy ("FSBPT") Practice Review Tool or the Option Tool. She stated she is quite comfortable with her physical therapy skills. The Committee encouraged Applicant to speak with someone at Indian Health Services who might be willing to supervise her for 12 months and bring a letter from her potential supervisor for Committee review. Mr. Titony moved to table the application for re-entry of Physical Therapist licensure pending Applicant's completion of the Federation of State Boards of Physical Therapy Practice Review Tool with a personal appearance in December of 2016 and providing the requested supporting documentation for Committee review at that time. Ms. Ball seconded the motion and the vote was unanimous in the affirmative.

THERESA GUERRERO appeared in support of her application for re-entry of Physical Therapist Assistant licensure. She stated that, unbeknownst to her, the payment she made for renewal of her license did not go through. In early October of 2016, the company for which she works on an as-needed basis notified her that she had an inactive license. She immediately contacted our Licensing Department and Teresa Mitchell confirmed her license was inactive. Ms. Guerrero determined that her non-renewal was the result of an Oklahoma Tax Commission ("OTC") hold which related to her husband's company. She got the OTC tax hold released and upon reporting that to Licensing, she was told she lacked .75 hours on her CEUs in order to renew her license. She stated she doesn't understand how that is possible, since she was allowed to renew her license online. Additionally, in April of 2016, she sent in a Form 5 to Licensing

and no one ever informed her that her license was inactive, and she also was sent a wallet card confirming her licensure through 2017. Ms. Ball moved to recommend approval of the application for re-entry of Physical Therapist Assistant licensure. Mr. Jekel seconded the motion and the vote was unanimous in the affirmative. The Committee apologized to Ms. Guerrero for the inconvenience she experienced.

LISA BURCH appeared in support of her application for re-entry of Physical Therapist licensure. Ms. Burch's license expired in 1999. She stated she became involved with raising her family and let her license lapse. Ms. Ball moved to recommend tabling the application pending completion of the Federation of State Boards of Physical Therapy Practice Review Tool ("PRT") with a personal appearance in December of 2016 and providing the results of the PRT for Committee review at that time. Mr. Titony seconded the motion and the vote was unanimous in the affirmative.

PATRICIA SANDERS appeared in support of her application for re-entry of Physical Therapist Assistant licensure. Her application is currently incomplete. Her Oklahoma license expired in 2000 and she last practiced in 1999. She took a break from her career to stay home with her children and she feels now is the right time to get back into it. She appeared before the Committee in February of 2015 and currently has approximately 67 continuing education units which she has obtained. Ms. Rebecca Renfroe appeared with the applicant and stated she would serve as her supervisor in the Nowata Public School system. Mr. Titony moved to recommend approval of the application for reinstatement of Physical Therapist Assistant licensure pending completion of 12 months of practice under direct supervision and completion of 240 continuing education units ("CEUs"), with three (3) of those CEUs to include ethics. Ms. Ball seconded the motion and the vote was unanimous in the affirmative.
