Physical Therapy Advisory Committee

Minutes

The Physical Therapy Committee of the Board of Medical Licensure and Supervision met on February 10, 2017 in accordance with the Open Meeting Act. The meeting was held at the office of the Board, 101 NE 51st Street, Oklahoma City, Oklahoma. Advance notice of this regularly scheduled meeting was transmitted to the Oklahoma Secretary of State on November 1, 2016, and posted on the Board's website on February 8, 2017. The notice and agenda were posted in prominent public view on the front doors of the Oklahoma Board of Medical Licensure and Supervision building located at 101 NE 51st Street, Oklahoma City, Oklahoma on February 8, 2017 at 11:15 a.m.

Members Present:
David Haynes, PT, AT, Chair
Randy Titony, PTA, Vice-Chair
Jennifer Ball, PT/ATC, MHR
Mitsy Martin-Davis, PT

Members absent:
Joe Jekel, Public Member

Others present:
Lyle Kelsey, Executive Director
Reji Varghese, Deputy Director
Barbara J. Smith, Executive Secretary
Teresa Mitchell, Licensing Director
Ivory Ihegboro, Administrative Technician (Licensing)
Sherrie Gallagher, Administrative Technician (Licensing)
Tiffany Wythe, Assistant Attorney General, Committee Advisor

Having noted a quorum, Mr. Haynes called the meeting to order at 9:01 a.m.

Following Committee review, Ms. Ball moved to approve the minutes of December 2, 2016, as written. Mr. Titony seconded the motion and the vote was unanimous in the affirmative.

Jason Fennell, I.T., worked to initiate a web video connection with **STEPHEN BULLARD**, applicant, for Physical Therapist licensure under re-entry guidelines. Mr. Bullard's web connection failed. The Committee took the next item on the agenda and agreed to try to connect with Mr. Bullard again.

L**ESLIE ANN LAWRENCE** appeared via web video in support of her application for Physical Therapist licensure under re-entry guidelines. Her file is incomplete. She last practiced in July of 2014 and her license expired in 2015, but she holds a current license in Maine. She did not complete her continuing education requirements for the 2014-2015 compliance cycle. Mr.

Titony moved to recommend approving the application for re-entry for Physical Therapist licensure for **LESLIE ANN LAWRENCE** with the requirement that she obtain 80 hours of continuing education units ("CEUs") to include the CEUSs required in the current compliance cycle. Ms. Ball seconded the motion and the vote was unanimous in the affirmative.

STEPHEN BULLARD appeared via web video in support of his application for Physical Therapist licensure under re-entry guidelines. His license lapsed in 2014 and his application remains incomplete. He appeared at the December 12, 2016 Physical Therapy Advisory Committee meeting and was required to complete 120 hours of continuing education units which he has completed. Ms. Ball moved to recommend approval of the application of **STEPHEN BULLARD** for Physical Therapist licensure under re-entry guidelines to include a temporary license effective today and the completion of four months (22 days per month) of direct supervision pending completion of the file. Ms. Davis seconded the motion and the vote was unanimous in the affirmative.

WENDY SMITH appeared via web video in support of her request for a waiver of the requirement to complete double continuing education units (CEU) hours for the 2016-2017 compliance cycle. She stated she is happy to complete the hours, but her financial and time resources are short. She does not have an issue with the 40 Category "B" hours that are required. It is the 40 hours of Category "A" hours that are proving to be a hardship. Following Committee discussion, Mr. Titony moved to deny the request of **WENDY SMITH** for a waiver of the requirement to complete the double continuing education units as requested. Ms. Davis seconded the motion and the vote was unanimous in the affirmative.

JAMES CRISMOND appeared via web video in support of his application for Physical Therapist licensure under re-entry guidelines. His license lapsed in January of 2016 but he has a current Texas license. He was assigned double continuing education units ("CEUs") for the 2014-2015 compliance cycle. Following Committee discussion, Ms. Davis moved to recommend approval of the application of **JAMES CRISMOND** for Physical Therapist licensure under re-entry guidelines and a temporary license effective today to expire six months from this date with the requirement of completing 80 continuing education units (for the required double CEUs from the 2014-2015 cycle) within six months of today pending completion of the file. Mr. Titony seconded the motion and the vote was unanimous in the affirmative.

ABBY CLOUD, applicant, Physical Therapist Assistant, appeared in person in support of her request for special testing accommodations during the national exam of time and a half, a paper test and a separate testing room. Ms. Cloud stated she has struggled with reading and has received special accommodations during school. Mr. Titony moved to recommend granting the request of **ABBY CLOUD** for special accommodations during the national exam of time and a half, a paper test and a separate testing room. Ms. Ball seconded the motion and the vote was unanimous in the affirmative.

KEATON GIVENS, applicant, Physical Therapist Assistant, appeared in person in support of his request to sit for the national exam a third time. He provided a copy of his study plan to the Committee for its review and stated he believes his deficiencies lie in nerves and muscles. The Committee questioned him regarding his preparedness to sit for the exam and stated they are concerned that he is not readily aware of his deficiencies. He stated he is using a textbook that utilizes evidence-based material. He continued to practice after the second failure of the test

until his employer was told by the Board's licensing group he could not work as a graduate PTA. He said his employer did not know he could not work as a graduate PTA after his second exam failure. The Committee advised him that Oklahoma has a limit of three attempts at sitting for the exam and Mr. Givens indicated he was aware that this would be his last attempt for purposes of Oklahoma licensure. He has participated in a Scorebuilders workshop at school and is contemplating also participating in Board Preppers. Mr. Givens stated he would like to re-take the test in July of 2017. The Committee advised Mr. Givens to take practice tests as well as observing mentors who will quiz him on his deficiencies. He should then set up his revised study plan based on the results of the practice test. Mr. Titony moved to recommend tabling the request of **KEATON GIVENS** to sit for the national exam a third time pending an appearance before the Committee at its April 28, 2017 meeting for review of Mr. Givens' revised study plan. Ms. Davis seconded the motion and the vote was unanimous in the affirmative.

ANTHONY WELLS, applicant, Physical Therapist Assistant, appeared in person in support of his request to sit for the national exam a third time. Mr. Wells brought a study plan for Committee review. He answered questions of the Committee regarding his test preparedness. He last took the test in October of 2015. His clinical rotations consisted of two outpatient clinics, one nursing home facility, and hospital/outpatient. He feels he is the strongest in pathologies and motions. He believes the cranial nerves, assistive device fittings and lab values are his areas of deficiencies. Ms. Davis stressed that he needs to score over 75% to pass the national exam and he needs to score over 75% on the practice test before he will be able to, realistically, pass the national exam. Mr. Titony moved to grant permission for **ANTHONY WELLS** to sit for the national exam a third time. Ms. Ball seconded the motion and the vote was unanimous in the affirmative.

ERIN HILL, Physical Therapist Assistant, appeared in person in support of her request for permission to earn all contact hours from Category "B" pursuant to *Okla. Admin. Code 435:20-9-3(a)(3).* Ms. Hill stated she is is actually an animal therapist, but she needs a license granted by a medical board in order to practice as an animal therapist. She does not practice as a PTA at all. When her schooling is complete her official title will be Certified Canine Rehabilitation Practitioner. Since she does not work with humans, she is requesting permission to obtain all continuing education units from Category "B" hours. Following Committee discussion, Ms. Davis moved to recommend granting permission for **ERIN HILL** to obtain all required continuing education units from Category "B" with the requirement that she not practice more than 250 hours per year. Mr. Titony seconded the motion and the vote was unanimous in the affirmative.

DARREN ROSE appeared in person in support of his application for Physical Therapist Assistant licensure under re-entry guidelines. Teresa Mitchell stated Mr. Rose last practiced in December of 2014. Mr. Rose stated he last practiced in 2015. He brought 27 hours of continuing education units ("CEUs") for Committee review today. He completed double hours for 2012-2013 but did not complete any hours for the 2014-2015 compliance cycle. Mr. Rose stated he did not not renew his license in 2016 because he began a medical device business, but he is now with a different company and would like to re-enter practice with a focus on orthopedics. Mr. Titony moved to recommend approval of the application of **DARREN ROSE** for Physical Therapist Assistant licensure under re-entry guidelines with the requirement that he complete 22 days of direct supervision and obtain double continuing education units for the

2014-2015 compliance period for a total of 60 continuing education units. Ms. Davis seconded the motion and the vote was unanimous in the affirmative.

DOMINIQUE RUSS appeared in person in support of her application for Physical Therapist licensure. She graduated in May of 2013 and recently took the national exam, for the tenth time, and passed. The Committee congratulated Ms. Russ on her success. Mr. Titony moved to recommend approving the application of **DOMINIQUE RUSS** for Physical Therapist licensure. Ms. Ball seconded the motion and the vote was unanimous in the affirmative.

TERRI CATON appeared in person in support of her application for renewal of Physical Therapist licensure. Ms. Caton explained that she last practiced in 2013 and her license expired in January of 2014. She did not complete the required 2014-2015 continuing education units ("CEUs"). The Oklahoma Tax Commission put a hold on her license and she did not know if she could continue to obtain CEUs during that time. Her husband was very ill in 2014 and passed away in 2015. Ms. Ball moved to recommend approving the application of **TERRI** CATON for renewal of Physical Therapist licensure pending completion of the file including 120 hours of continuing education units. Ms. Ball seconded the motion and the vote was unanimous in the affirmative.

BARBARA BROWN appeared in person in support of her application for Physical Therapist licensure under re-entry guidelines. Ms. Brown had practiced for 50 years when she last practiced in 2015. Her license expired in 2016. She did not obtain any continuing education units for the 2014-2015 compliance cycle. Ms. Brown stated she was in the third graduating class at the University of Oklahoma. Ms. Davis moved to recommend approval of the application of **BARBARA BROWN** for Physical Therapist licensure under re-entry guidelines to include obtaining 80 hours of continuing education for the 2014-2015 compliance period. Mr. Titony seconded the motion and the vote was unanimous in the affirmative.

JEANNE MARIE RAPPSILBER appeared in person in support of her application for Physical Therapist Assistant Licensure under re-entry guidelines. Teresa Mitchell, Licensing Director, stated that the applicant's Oklahoma license lapsed in1999 and she has not practiced since 2002. Further, she has not completed any continuing education units ("CEUs") since 2004. Ms. Rappsilber has been living in Texas and taking kinesiology courses at Texas A&M. The Committee advised there is a possibility that she can use her kinesiology credit hours earned (each credit hour can be worth up to 16 contact hours) toward her CEU deficit. As it stands now, the applicant would need, at a minimum, 180 CEU hours. If the CEUs are doubled, she would need a total of 360. The Committee requested that the applicant submit all education credits earned since 2012 for review. It was also requested that she take a practice exam through the Options Tool with the Federation of State Boards for Physical Therapy. Ms. Ball moved to table the application of **JEANNE MARIE RAPPSILBER** pending a personal appearance at the April 28, 2017 meeting and providing educational credits earned since 2012 and the results of the Options Tool for Committee review at that time. Mr. Titony seconded the motion and the vote was unanimous in the affirmative.

Next, the Committee reviewed applications for licensure. Ms. Ball moved to recommend approval of the following complete applications for Physical Therapist licensure. Mr. Titony seconded the motion and the vote was unanimous in the affirmative.

LAKKAKULA, REVATHI
MCBRIDE, CALEB MATTHIAS
MOLINA AMAYA, EDITH ARELI
PARKER, JEFFREY RONDLE

Ms. Ball moved to recommend approval of the following incomplete applications for Physical Therapist licensure pending completion of the files. Ms. Davis seconded the motion and the vote was unanimous in the affirmative.

Next, the Committee reviewed continuing education units for approval. Mr. Titony moved to accept the subcommittee's recommendations for approval of the continuing education units ***(See Attachment #1)*** and continuing education units presented today by Ms. Teresa Mitchell in loose paper form ***(See Attachment #2)***. Ms. Davis seconded the motion and the vote was unanimous in the affirmative.

Lyle Kelsey, Executive Director, presented a report on various Physical Therapy statistics including number of applications received, number of licenses issued, and website activity. Mr. Kelsey provided a handout for the Committee's review ***(See Attachment #3)*****.** The Committee would like to see the setting locations, i.e., acute care, outpatient, home therapy, etc. on the renewal form. Reji Varghese, Deputy Director, stated the agency could do a survey to all licensees or add a "practice setting" question to the renewal form. The Committee issued a Staff Directive like this added to the renewal. The Committee will present the categories of practice to Mr. Varghese and he will work with the I.T. group. Mr. Varghese stated the question regarding practice setting will initially be put on the profile page then will be added as a renewal question.

Teresa Mitchell, Licensing Director, presented a revised Form 5 where she proposes to combine group and individual information on the same form ***(See Attachment #4)*****.** The Committee requested that the back of the form be used for deletions. There was discussion regarding the "allow 3 business days for processing" language. Mr. Varghese explained that the day the form is received is not always the same day that it is posted. The Committee members took the form with them for further review but took no action on this form at this time.

Then, David Haynes provided an update on the Federation of State Boards for Physical Therapy Annual Meeting which he attended. He advised that Nancy Kersh is the new president and she authors a monthly column on ethics. The new vice-president is David Reily from North Dakota. Some of the topics discussed included FSBPT finances, revising/cleaning up of the by-laws, telehealth, licensure compacts and conflict of interest statements. Ethics remediation was

discussed. For folks who have ethics issues, Pro B ethics and a boundaries course are now being offered. Dry-needling legislation was discussed and there are no issues in any state with its safety. Mr. Haynes advised that the FSBPT website contains a summary of the annual meeting which contains more information. He encouraged the committee members to visit the site and read the article.

The Committee then discussed rescheduling the committee meeting date of August 4th to July 14, 2017. *Since the meeting, a scheduling conflict was discovered and this meeting is rescheduled to July 28, 2017.

Randy Titony advised Teresa Mitchell that he offers continuing education courses free of charge which might be of some benefit to the licensees. Ms. Mitchell stated that when licensees call in regarding available courses, they are referred to the website.

The Committee asked Barbara Smith to place a Continuing Competence Subcommittee item on the April 28th agenda.

There being no further business, the meeting adjourned at 11:46 a.m.

Total:	2,293	2,089

Web Usage Report:
Renewal/Initial Application portal for the years: 2014, 2015 and 2016

1. Since renewal period ends on 1/31 of every year, the results are a little skewed because people seem to wait longer to renew when they have to enter CEUs (more in January rather than December in CE year).
2. "Renewed Online" **DOES NOT** include Print and Mail renewals or those who were paid for by interagency transfer
3. "Online Changes" includes all changes a licensee made in a day, so if they logged in and updated their practice address and phone number that counts as 1 change. CEUs **not included** in this number. Supervisor changes are handled via a Form 5 and not done online so they are not counted here.
4. CEUs Entered is the total number of CE Courses entered, so if a licensee enters 4 courses that counts as 4 CEUs.

2014

Type	Applied Online	Renewed Online	Online Changes (non-CEU)	CEUs Entered
PT	144	1658	2710	1925
TA	121	1184	1720	1120

Group Director / Individual Supervisor Signature OK License Number Date Signed

_____
Supervisee Signature OK License/Application Number Date Signed

☐ GENERAL SUPERVISION **or** ☐ DIRECT SUPERVISION (OSBMLS USE ONLY)

"General supervision" means the responsible supervision and control of the practice of the licensed physical therapist assistant by the supervising physical therapist. The supervising therapist is regularly and routinely on-site, and every three months will provide a minimum of one (1) co-treatment of face to face, real time interaction with each physical therapist assistant providing services with his/her patients These co-treatments will be documented in the medical record and on a supervision log, which is subject to inspection. When not on-site, the supervising therapist is on call and readily available physically or through direct telecommunication for consultation.

"On-site supervision" or "Direct supervision" means the supervising physical therapist is continuously on-site and present in the department or facility where services are provided, is immediately available to the person being supervised and maintains continued involvement in appropriate aspects of each treatment session in which assistive personnel are involved in components of care.
