

Physical Therapy Advisory Committee

Minutes

The Physical Therapy Committee of the Board of Medical Licensure and Supervision met on September 28, 2018 in accordance with the Open Meeting Act. The meeting was held at the office of the Board, 101 NE 51st Street, Oklahoma City, Oklahoma. Advance notice of this regularly scheduled meeting was transmitted to the Oklahoma Secretary of State on October 10, 2017, and posted on the Board's website on September 26, 2018 at 2:57 p.m. in accordance with 25 O.S. § 311.9.

Members Present:

Jennifer Ball, PT/ATC, MHR, Chair
Carla Hinkle, MS, PTA, Vice-Chair
Andrew Ward, PT, COMT
Kelly Berry, PT, MPH, Cert. MDT

Member Absent:

Kristin Hincke, Public Member

Others present:

Lyle Kelsey, Executive Director
Reji Varghese, Deputy Director
Barbara J. Smith, Executive Secretary
Lisa Cullen, Director of Licensing
Thomas Schneider, Assistant Attorney General, Committee Advisor

Having noted a quorum, Ms. Ball called the meeting to order at 9:03 a.m.

Following Committee review, Ms. Hinkle moved to approve the minutes of the July 20, 2018 meeting as written. Ms. Berry seconded the motion and the vote was unanimous in the affirmative.

IAN COOPER appeared via web video in support of his application for re-entry of Physical Therapist licensure. Mr. Cooper last practiced in November of 2015, and he is currently licensed in Ohio. His Oklahoma license lapsed in January of 2014. He has been working in a hospital setting and is looking to relocate to Oklahoma and work on an as-needed basis. Following Committee discussion, Ms. Hinkle moved to approve the application of **IAN COOPER** for re-entry of Physical Therapist licensure by endorsement of his Ohio license pending completion of his file. Mr. Ward seconded the motion and the vote was unanimous in the affirmative.

CAROL NATION appeared in support of her application for re-entry of Physical Therapist Assistant licensure. She last practiced in August of 2013, and her Oklahoma license lapsed January 31, 2014. She is not currently licensed in another state. The applicant advised that she took time away from the practice of PT to care for her son. She has completed 31 hours

of Category “B” and 22 hours of Category “A” continuing education units. She currently has an employment offer from Specialized Physical Therapy in Oklahoma City. Mr. Ward moved to recommend approval of the application of **CAROL NATION** for re-entry of Physical Therapist Assistant Licensure pending completion of the file and 88 days of direct on-site supervision with a report from her supervisor provided for staff review and an additional eight (8) continuing education units for the current compliance period. Following further discussion of the Committee, Mr. Ward amended his motion as follows: Moved to recommend approval of the application of **CAROL NATION** for re-entry of Physical Therapist Assistant Licensure pending completion of the file and 88 days of direct on-site supervision, with a report from her supervisor provided for staff review, and 60 hours of approved continuing education, at least half of which are required to be Category “A.” Ms. Hinkle seconded the motion and the vote was unanimous in the affirmative. This was an amended motion.

LISA HAZLEWOOD appeared in support of her application for re-entry of Physical Therapist Assistant licensure. She last practiced as a PTA in January of 2012. Her Oklahoma license lapsed in 2014 and she is not currently licensed in another state. The applicant stated she has not completed any continuing education courses in the interim. Her son was born in 2012 and was diagnosed with a serious illness. Subsequently, she let her license lapse. Ms. Hazlewood would like to work in an outpatient setting. Ms. Hinkle moved to recommend approval of the application of **LISA HAZLEWOOD** for re-entry of Physical Therapist Assistant licensure pending completion of the file to include 60 hours of continuing education, at least half of which will be Category “A,” as well as 88 days of direct on-site supervision with a report from her supervisor provided for staff review. Mr. Ward seconded the motion and the vote was unanimous in the affirmative.

KELLY CARELOCK appeared in support of her application for Physical Therapist Assistant licensure. Ms. Carelock's application was previously approved "pending completion of the file" by the Physical Therapy Advisory Committee in its meeting of May 10, 2018. Ms. Cullen gave a brief history of the matter and explained that Ms. Carelock took her Federation of State Boards of Physical Therapy examination on July 10th of this year and did not pass. On September 18th of this year, a Form 5 was received and then an additional Form 5 was received the following day, September 19th. Ms. Cullen advised that both Form 5s were incorrect in that they were the forms used for Respiratory Care Practitioners and not for Physical Therapist Assistants. The first Form 5 stated the applicant will begin practice on July 23, 2018. The second (and additional) Form 5 stated the applicant will be practicing from August 13, 2018 to September 19, 2018. Both Form 5s were signed by the applicant's supervisor.

Ms. Carelock admitted she had been practicing since July 23rd and did not have a temporary letter which allowed her to do so. She plans on re-taking the exam in January of 2019. Ms. Carelock has been placed on leave by her employer. The applicant stated she mailed the Form 5 in July and then sent it in again in August. She states she called the licensing department multiple times and did not receive a call back. She was working and her supervisors never asked for her credentialing paperwork. She brought with her a corrected Form 5 in an effort to receive a temporary letter to practice.

Thomas Schneider, Assistant Attorney General and Committee Advisor, referenced Title 59 §887.10.B which states, *"Upon proper application and payment of fees, the Board may issue a temporary permit to a person who has applied for a license pursuant to the provisions of*

Section 887.7 of this title, and who is eligible to take the examination pursuant to the provisions of the Physical Therapy Practice Act. Such temporary permit shall be available to an applicant only with respect to his first application for licensure. Such permit shall expire upon notice that the applicant has or has not passed the examination." Further, it was Mr. Schneider's opinion that, pursuant to the above-cited statute, this applicant is not eligible for a temporary letter since she failed the exam. (In other words, if an applicant has a temporary letter to practice and fails an exam, and upon the exam failure that temporary letter automatically expires, it does not hold that the applicant may then receive another temporary letter to practice while waiting to take the examination a second time.)

It is also Mr. Schneider's opinion that 59 O.S. §887.10.B as cited above is the governing authority, and not Okla. Admin. Code 435:20-3-5(d)(2) which states, *"In the event of failure to pass the first examination, the applicant may work under the direct, on the premises supervision and direction of a licensed physical therapist for a period not to exceed six months."*

Because this application had been previously "approved pending completion of the file" by the Physical Therapy Advisory Committee in its meeting on May 10, 2018, and upon the legal advice of Mr. Schneider, the Committee took no action on this matter

JENNIFER THOMAS appeared in support of her application for Physical Therapist licensure. She last practiced in August of 2012 and is currently licensed in Colorado. She provided some continuing education units ("CEUs") for the Committee's review and stated she hopes to work in an acute care setting. Colorado's CEU requirement is 30 hours of CEUs due in October of even-numbered years. Mr. Ward moved to approve applicant by endorsement of Colorado license pending completion of the file. Ms. Hinkle seconded the motion and the vote was unanimous in the affirmative.

KESHA NAYLOR appeared in support of her application for Physical Therapist licensure and for review of the report of Foreign Credentialing Commission on Physical Therapy (FCCPT). The report stated her foreign education was not substantially equivalent to education she would have received in the United States. It shows that under the category of "Professional Education," she is specifically lacking hours. It shows the "Clinical" and "Overall Hours" have been met. Ms. Naylor advised that she is currently enrolled in the pre-approved courses needed to complete the deficiencies noted by FCCPT and she should complete those courses by December of this year. Ms. Hinkle moved to recommend approval of the application of **KESHA NAYLOR** for Physical Therapist licensure pending completion of file to include receipt of education approval by Foreign Credentialing Commission on Physical Therapy. Ms. Berry seconded the motion and the vote was unanimous in the affirmative.

SANDRA HENAO appeared in support of her application for Physical Therapist licensure and for review of the report of Foreign Credentialing Commission on Physical Therapy (FCCPT). She is foreign trained and the FCCPT report stated her education is not substantially equivalent to the education she would have received in the United States. Specifically, the "General Education" requirements have not been met. The Committee advised the applicant to communicate with FCCPT to ensure the course she intends to complete meets with their expectations and approval. Ms. Hinkle moved to recommend approval of the application of **SANDRA HENAO** for Physical Therapist licensure pending completion of the file to include

receipt of education approval from FCCPT. Mr. Ward seconded the motion and the vote was unanimous in the affirmative.

KAYLEE LONG applicant for Physical Therapist Assistant licensure, appeared in support of her request to sit for the Federation of State Boards of Physical Therapy ("FSBPT") examination for a third time. She stated she was aware of the areas where she had difficulty and changed her study plan and she did very well on her second try. Ms. Long stated she has taken several practice exams and feels confident with the information she knows. Ms. Hinkle moved to recommend granting permission for **KAYLEE LONG**, applicant for Physical Therapist Assistant licensure, to sit for the Federation of State Boards of Physical Therapy examination a third time. Mr. Ward seconded the motion and the vote was unanimous in the affirmative.

The Committee then reviewed applications for licensure. Ms. Hinkle moved to recommend approval of the following incomplete applications for Physical Therapist licensure pending completion of the files. Ms. Berry seconded the motion and the vote was unanimous in the affirmative.

CRITES, CRYSTAL ANNE
RUCKENBROD, SARA
SMITH, JULIE ANN

PALMER, MEGAN ELIZABETH
ENGLUND, CASSIE JANIECE

Ms. Hinkle moved to recommend approval of the complete application of **JANET LEANNE COBB** for reinstatement of Physical Therapist licensure. Mr. Ward seconded the motion and the vote was unanimous in the affirmative.

Mr. Ward moved to recommend approval of the following complete applications for Physical Therapist licensure. Ms. Hinkle seconded the motion and the vote was unanimous in the affirmative.

MONTGOMERY, KRYSTAL NAKOLE
RAGLE, KATIE ELISABETH
HOWE, JUSTIN D
LUSK, LORI NABETH
EIKEN, KRISTIN
ALTOMARE, TIMOTHY LEE
MCCLINCY, JESSICA ELIZABETH

ARAKAKI, MICHAEL TAKAMASA
SHOOPMAN, LAUREN ELIZABETH
BARROW, MORGAN NICOLE
GREEN, MARK RYAN
VOGEL, JACOB WILLIAM
KIM, YONG GIL

Ms. Hinkle moved to recommend approval of the following incomplete applications for Physical Therapist Assistant licensure pending completion of the files. Mr. Ward seconded the motion and the vote was unanimous in the affirmative.

KEYS, MARY
NELMS, SCOTT WINFORD
ELDRIDGE, AMANDA BROOKE
JONES, BRIDGETTE MICHELE
SPRINGER, STACEY L

HALL, JENNIFER RENEE
TRAEGER, KRISTIN CLARE
TAYLOR, PAULA KIRSTEN
CURRY, LINDSEY KAY
GORETOY, EDUARD VIKTOROVICH

WILLIAMS, CHRISTINA MARIE

Mr. Ward moved to recommend approval of the following complete applications for Physical Therapist Assistant licensure. Ms. Hinkle seconded the motion and the vote was unanimous in the affirmative.

REESE, PEYTON MARJORIE

RICHIE, JEANIE MICHELLE

Next, the Committee considered the pre-reviewed continuing education units ("CEUs"). Ms. Hinkle moved to approve the pre-reviewed continuing education units as recommended by the review subcommittee. Mr. Ward seconded the motion and the vote was unanimous in the affirmative. *(See Attachment #1)*

Ms. Hinkle moved to deny the pre-reviewed continuing education units as recommended by the review subcommittee. Ms. Berry seconded the motion and the vote was unanimous in the affirmative. *(See Attachment #2)*

Ms. Hinkle moved to table the pre-reviewed continuing education units as recommended by the review subcommittee. Mr. Ward seconded the motion and the vote was unanimous in the affirmative. *(See Attachment #3)*

**The Committee took a five-minute break.*

The Committee then reviewed the proposed rule revisions to *Okla. Admin. Code 435:20-9*. Mr. Schneider advised that he saw no legal issues with the proposed amendments. There was committee discussion regarding the audit guidelines but the Committee ultimately agreed that the language as amended was sufficient. Ms. Smith gave a brief overview of the rulemaking process and recommended that the Committee send the proposed revisions to the Medical Board prior to filing the Notice of Rulemaking Intent with the Secretary of State. Ms. Hinkle moved to forward the proposed rule revisions to *Okla. Admin. Code 435:20-9* to the Oklahoma Medical Board for an initial review. Mr. Ward seconded the motion and the vote was unanimous in the affirmative. Mr. Kelsey agreed that this matter could be placed on the Medical Board's November 8, 2018 Agenda. The current rule revision document which will be presented to the Oklahoma Medical Board for its review and consideration is attached hereto. *(See Attachment #4)*

The Physical Therapist Assistant students from Oklahoma City Community College, Oklahoma City, Oklahoma, were welcomed to the meeting. The Committee answered questions of the students and the students thanked the Committee for its time.

Ms. Hinkle requested to further discuss the issue of *59 O.S. 887.10.B* which was discussed earlier in the meeting (during the matter of Kelly Carelock.) Ms. Hinkle stated that a newsletter should be sent out immediately advising all licensees and supervisors of this statute which provides that if they are working under a temporary letter and have failed the exam, the temporary letter expires immediately upon exam failure and they are not allowed to continue to practice. Mr. Kelsey stated that Reji Varghese, Deputy Director, will send out the update by blast email.

There being no further business, Ms. Hinkle moved to adjourn the meeting. Mr. Ward seconded the motion and the vote was unanimous in the affirmative. The time was 11:15 a.m.

SUBCHAPTER 9. CONTINUING EDUCATION AND COMPETENCE

Section

435:20-9-1. Definitions

435:20-9-2. Continuing education and competence requirements for renewal

435:20-9-3. Continuing education and competence categories

435:20-9-4. Guidelines for the audit process

435:20-9-1. Definitions

The following words and terms, when used in this SubChapter, shall have the following meaning, unless the content clearly indicates otherwise:

"Activities" means activities that a licensee participates in to either assess his/her competence or to develop competency. An activity is assigned a value toward meeting continuing education and competence requirements.

"Approved Provider" means an entity that has been approved by the Board to provide continuing education and competence activities for licensees as provided in the rules of this section.

"APTA" means the American Physical Therapy Association.

"Asynchronous instruction" means instructional interaction whereby instructional delivery and learner participation occurs other than simultaneously, offering either a delayed opportunity or no opportunity for instructional feedback.

"Board" means the Board of Medical Licensure and Supervision.

"CECU" – (add definition of how CECUs are determined by formula – language to be provided by Committee) One contact hour (60 minutes) of continuing education coursework or an approved CECU activity (detailed in section 435:20-9d)

"Clinical Practice" means physical therapy consultation or patient care or client management or the supervision thereof.

"Committee" means the Physical Therapy Advisory Committee.

"Compliance period" means the ~~initial compliance period from February 1, 1998 through January 31, 2000 and each successive two calendar year period from January 1, 2000 to December 31, 2002~~ initial compliance period starting on January 1, 2020 February 1, 2022 through December 31, 2021 January 31, 2024.

"Competence" is the application of knowledge, skills, and behaviors required to function effectively, safely, ethically and legally within the context of the patient/client's role and environment.

"Continuing Competence" is the lifelong process of maintaining and documenting competence through ongoing self-assessment, development, and implementation of a personal learning plan, and subsequent reassessment.

"Continuing education" means those appropriate learning experiences physical therapists and physical therapist assistants undertake to expand their scope of knowledge beyond the basic preparation for the profession of physical therapy and these experiences should be referenced to one of four areas: administration, education, patient care, or research.

"Documentation" means evidence of completion of continuing education and competence activities.

"FSBPT" means the Federation of State Boards of Physical Therapy.

"IACET" means the International Association for Continuing Education and Training.

"Jurisprudence Assessment" is an outline set of questions concerning the Oklahoma

Physical Therapy Practice Act, Board rules, and Position Statement posted on the Board's website at www.okmedicalboard.org.

"Licensee" means a Physical Therapist or Physical Therapist Assistant licensed in Oklahoma.

~~"One (1) contact hour" means one sixty (60) minute instructional period.~~

"One (1) Continuing Education and Competence Unit (CECU)" means the relative value assigned to continuing education and competence activities based on meeting established criteria. (detailed in section 435:20-9d)

~~"One (1) Continuing Education Unit or CEU" means ten (10) contact hours.~~

"OPTA" means the Oklahoma Physical Therapy Association.

"Pre-approval" means the continuing education and competence experience has received approval prior to the end of the compliance period.

~~"Reporting Period" means a 24 month period commencing on January 1, 2020 and ending on December 31, 2021, and each successive 24 month period during which the licensee activity must complete all continuing education and competence requirements for the current reporting period.~~

"Synchronous instruction" means instructional interaction conducted in real time where the instructional delivery and learner participation occurs concurrently with an immediate opportunity for instructional feedback.

435:20-9-2. Approval of providers.

The Board shall approve a provider if it is satisfied that the provider's programs have met the standard set forth in 435:20-9-4(a) of this section.

(a) Once a provider is approved, the continuing education and competence activities offered by that organization are approved for credit and no application must be made to the Board for approval.

(b) The provider must submit the course information to the Board for posting on the Board website.

(c) The following organizations are considered approved providers:

(1) Any agency or board responsible for licensing individuals to practice physical therapy in the United States or Canada.

(2) The American Physical Therapy Association (APTA), including any Sections, Academies, credentialed residencies and fellowships and its accrediting subsidiaries

(3) State Chapters of APTA

(4) The Federation of State Boards of Physical Therapy (FSBPT) and any accrediting subsidiary, including ProCert.

(5) The International Association for Continuing Education and Training (IACET)

(6) Any providers approved or accredited by the agencies or organizations listed in subparagraphs (1) through (5) of this paragraph.

(7) Physical therapist and physical therapist assistant programs approved by an agency recognized by either the U.S. Department of Education or the Council on Postsecondary Accreditation.

435:20-9-23. Continuing education and competence requirements for renewal

(a) Beginning with the renewal period ending January 31, 2000 and every two years thereafter, the applicant for renewal of licensure shall sign a statement indicating whether or not continuing education and competence requirements have been fulfilled for the preceding two-year period.

(b) Effective February 1, 2004, 2020 2022 and every two years thereafter, physical therapists

will be required to show proof of forty (40) approved contact hours and/or CECU equivalent and Physical Therapist Assistants will be required to show proof of thirty (30) approved contact hours and/or CECU equivalent.

(1) At least half of the required hours must be ~~Category A as set out in subsection 435:20-9-3(b) except as provided in 435:20-9-3(a)(3)~~ continuing education coursework

(2) Three of the required hours must contain ethics education that includes the APTA Guide for Professional Conduct and the APTA Code of Ethics.

(3) No continuing education and competence hours may be carried over from one compliance period to another.

~~(c) Effective January 1, 2020 and every two years thereafter, physical therapists will be required to show proof of forty (40) approved continuing education and competence units and Physical Therapist Assistants will be required to show proof of thirty (30) approved continuing education and competence units.~~

(c) Any applicant for renewal who cannot meet the requirements for continuing education and competence may not renew until deficient ~~hours~~ continuing education and competence units (CECUs) are obtained and verified. Additionally, within the next compliance period the licensee will be required to obtain double the required ~~hours~~ units of approved continuing education and competence units (CECUs). ~~At least half of the required hours must be Category A. Proof of meeting the additional requirements, as verified by an audit, will be required in order to renew at the end of the next compliance period. Failure to meet these additional requirements will result in disciplinary action.~~

(d) Each licensee is responsible for maintaining evidence/proof/record of participation in a continuing education and competence experience for a minimum of four years two compliance periods two compliance periods. Copies of such proof shall be submitted to the Board upon request. Such proof shall include:

(1) date, place, course title, schedule, presenter(s), etc.,

(2) number of contact hours/continued competency units for the activity,

(3) proof of completion, such as abstracts, certificates of attendance, or other certification of completion.

(e) Any physical therapist or physical therapist assistant initially licensed in Oklahoma during the second year of an ~~accounting~~ compliance period shall be exempt from the continuing education and competence requirements for that first renewal period.

(f) The Physical Therapy Committee shall conduct random audits of the continuing education and competence records of the number of licensees that time and resources permit. The Physical Therapy Committee may appoint a sub-committee to review audits and requests for approval of continuing education and competence experiences and make recommendations to the Physical Therapy Committee for disposition.

(g) Penalties for failure to comply with continuing education and competence requirements may be assessed after notice and hearing as required by law. Penalties may include imposition of additional continuing education ~~contact hours and competence units~~, probation of license, suspension of license, or revocation of license.

(h) Failure to maintain records of continuing education and competence rebuts the presumption that continuing education and competence requirements have been completed.

(i) Misrepresenting compliance with continuing education and competence requirements constitutes a fraudulent application.

435:20-9-34. Continuing education and competence categories

(a) Approval for continuing education and competence activities

(1) To receive initial approval for a continuing education and competence offering of either ~~category~~, submission of an Application for Approval of Continuing Education and Competence Physical Therapy Education and Competence form is required. The application must include the following information:

(A) Course title with an abstract, summary or course syllabus and sufficient evidence demonstrating relevancy, recency and consistency with current practice.

(B) A program agenda complete with a breakdown of all time spent in instructional and non-instructional periods to include ~~break time, meals, etc. (Contact hours-CECU will be awarded for instructional hours only.)~~ (If a course is six hours or longer, the agenda must include at least a 30 minute lunch and two 15 minute breaks.)

(C) The course or program's goals and objectives sufficient to provide information for evaluation of relevance and practical application to the field of physical therapy beyond basic preparation of the licensee.

(i) If basic information is needed, the licensee will complete the professional self-reflection form to demonstrate current knowledge and competency of the topic and rationale as to why this course should be approved.

(D) Documentation of instructor background/expertise relevant to the field of physical therapy.

(D) Location of the program, including the address, city, state, and zip, or Internet site.

(E) Contact name, phone number and address of course sponsors or publishers;

(F) Specific date(s) of course participation.

(G) Method of certifying attendance and ~~contact instructional~~ hours. (Adjustment of ~~contact hours-CECU awarded~~ may occur within the approval process.)

(2) Individual participants are responsible for maintaining these records.

(3) Physical therapists and physical therapist assistants working less than 250 hours per year may ~~request permission from the to earn all contact hours from Category B and/or Category C~~ submit a request for a lesser continuing education and competence requirement.

(4) Pre-approval is required for guaranteed credit. ~~under either Category.~~

(b) Category A – Synchronous educational and competence opportunities. At least half of the required contact hours must be acquired from Category A.

(1) Synchronous education – ~~Attendance at a synchronous education course with real time interaction between the course instructor and physical therapists or physical therapist assistants, with opportunity for immediate feedback~~ real time participation in a course, workshop or conference.

(2) Presentation of program - A licensee who presents an original continuing education program targeted towards peers and other health care professionals may receive continuing education and competence credit once per compliance period of 1.5 CECU per contact hour of instruction for the first presentation of this original material. No additional CECU for subsequent presentations within the compliance period.

(3) Post Graduate Studies - Successful completion of post graduate education course work related to physical therapy will be awarded continuing education and competence credit of up to 16 ~~contact hours-CECU~~ for each college credit hour course based on credit hours, syllabus, and learning objectives.

(c) Asynchronous educational and competence opportunities.

(1) For licensees participating in a non-interactive course offered by videotape, satellite transmission, webcast, DVD, or other electronic media, one hour of participation earns one CECU. This method must include a post-test proficiency assessment in order to be accepted.

~~The maximum number of CECU of this type allowed during a compliance period is 10.~~

~~(e) (d) **Category B – other. Other continuing educational and competency activities.**~~

~~(1) Opportunities under Category B continuing education include:~~

~~(A) (1) Publication - Writing for professional publication may be awarded continuing education and competence credit. Actual number of contact hours CECU granted will be determined by the Committee. Acceptance for publication must occur within the current compliance period. Contact hours will not be approved for repeat publication of the same material. Licensee must present copy of published material to receive credit.~~

~~(i) (A) Each published paper/book and/or chapter/or case study may will receive a maximum of fifteen (15) contact hours CECU.~~

~~(ii) (B) Each published book review may will receive a maximum of ten (10) contact hours CECU.~~

~~(B) (2) Study groups - A series of synchronous or asynchronous meetings designed for intense study in a physical therapy related topic. A minimum of four participants and four hours of participation are required for continuing education and competence eligibility. Those seeking approval for a group study project shall submit a full description including an outline of the topics and subtopics, references, or copies of the printed materials, a time and place of study, the methods to be used, the number of hours of credit sought, and any other information relevant to the evaluation of the proposed projects. The maximum number of CECU of this type allowed during a compliance period is 10 12.~~

~~(3) Collaboration with educational programs:~~

~~(A) Supervising Physical Therapist or Physical Therapist Assistant students as a clinical instructor.~~

~~(i) Continuous direct supervision of students and/or candidates for licensure can earn up to 10 CECUs in this category in a compliance period. Forty (40) hours of direct supervision will earn one (1) CECU regardless of the number of students and/or candidates for licensure being supervised. for at least four two full time weeks (or combination of four part timeweeks) earns 1 CECU per week for a maximum of 4 CECU. Licensees can earn up to 10 CECU in this category in a compliance period, regardless of the number of students and/or candidates for licensure that licensee directly supervises.~~

~~(ii) The licensee shall submit materials listing the licensee as a clinical instructor with the name of the school/program and the length of time of clinical placement.~~

~~(B) Presentations as a guest lecturer for Physical Therapist and Physical Therapist Assistant Programs earns 2 CECU for the first presentation of original material, up to 4 CECU for two presentations of original material in a compliance period.
