Charles Womack, MD, Chairman  
Lindsey Gillispie, PA  
Don Flinn, PA  
Riaz Sirajuddin, MD  
Gerald Wootan, DO  
Thomas Pickard, DO  
Daniel McNeill, PhD, PA

Member absent was:

Clay Moore, D.Ph.

Others present included:

Bill O'Brien, Assistant Attorney General  
Elizabeth Scott, Assistant Attorney General  
Kim Heaton, Assistant Attorney General  
Lyle R. Kelsey, Executive Director  
Robyn Hall, Director of Licensing  
Kathy Plant, Executive Secretary

The meeting was called to order at 3:00 p.m. The minutes from January 5, 2012, Committee meeting were reviewed. Dr. Sirajuddin moved to approve the minutes. Ms. Gillispie seconded the motion and the vote was unanimous in the affirmative.

**Susan L. Davis, PA** appeared to discuss pending allegations of dishonorable or immoral conduct likely to deceive/defraud/harm the public, prescribing violations, procuring/aiding/abetting a criminal operation, aiding/abetting the unlicensed practice of medicine, and use of false/fraudulent/deceptive statement in connection with the practice of medicine. Appearing with Ms. Davis was her attorney, Deborah Reheard. Ms. Scott briefed the Committee on allegations that Ms. Davis utilized pre-signed prescriptions at the direction of her physician who was out of town and, at times, out of the country, for extended periods of time. This also left her without a supervising physician during those times. She said Dr. Delia, Ms. Davis' supervising physician at the time the allegations occurred, had surrendered his medical license. Ms. Reheard explained Ms. Davis' financial obligations and worries. Ms. Davis did confront Dr. Delia several times but he was not open to change. She started looking for another job while she tried to make sure she had a supervising physician available when Delia was out of town/state/country. Ms. Davis has been working at VA since February 2011. Dan McNeill told Ms. Davis that she put finances ahead of numerous state and federal laws. Not only did she do harm to patients but to the PA profession as well. Ms. Davis stated that if she could do it over, she would just leave Dr. Delia's practice. Mr. Flinn said if she was having problems, she could have called the state board or one of the PA Committee members. After discussion, Dr. Wootan

moved to recommend that the Board revoke the license for at least one year. Ms. Gillispie seconded the motion and the vote was unanimous in the affirmative.

**Richard Clay Tessmer** appeared in support of his application for reinstatement of Physician Assistant licensure after revocation. Mr. Tessmer had been assessed and treated at Acumen Institute in Kansas. That report was reviewed. Ms. Scott reported that Mr. Tessmer's license had been revoked in March 2010. Mr. Tessmer testified regarding his activities since his license was revoked, including his recovery efforts and the monitoring done by the Oklahoma Health Professionals Program. He discussed his practice plans and possible job opportunities, should his license be reinstated. He stated his boundaries are clear and his recovery is going well. The Committee discussed that it had been just a short time of recovery. After further discussion, Dan McNeill moved to recommend denial of the reinstatement application. Dr. Sirajuddin seconded the motion and the vote was unanimous in the affirmative.

Ms. Scott introduced Kim Heaton, Assistant Attorney General. Ms. Heaton would be working for the Board part time, assisting Ms. Scott with cases.

The Chair called for new business. Dan McNeill reported on having received an e-mail from a PA working for the Laser Spine Institute. The PA works in Oklahoma on patients who may be from out of the state. The question was asked, if the patient is treated in Oklahoma, then returns home out of state, can the PA continue to manage patient from Oklahoma? After discussion, the Committee directed Dr. McNeill to respond that the PA could answer the patient's questions and offer comfort. But if the PA is going to manage patient care, he needs to be able to see the patient. There should be a local physician to cover follow-up care. Additionally, the patient's home state may prohibit a PA unlicensed in their state treating patients residing within their state. The Committee would not consider this the best medical practice; for controlled substance prescriptions, the PA needs to be able to have a face-to-face visit with the patient. Dr. Sirajuddin said an important point is to consider is where the care will be rendered and would there be a charge associated with it. The Committee acknowledged that this would be a growing issue.

Applications for licensure, reinstatement of licensure, transfer applications, applications for additional positions and additional alternate supervisors were considered.

Dan McNeill moved to recommend approval of the following applications for licensure as Physician Assistants. Lindsey Gillispie seconded the motion and the vote was unanimous in the affirmative.

Staff asked the Committee if wanted to continue receiving recommendations as part of application for licensure. Ms. Hall pointed out that it was unlikely an applicant would ask someone to submit a recommendation who is going to give a bad one. The letters are not reviewed by the Committee so it seems like an unnecessary, redundant step. After discussion, Dr. Sirajuddin moved to eliminate the recommendation portion of the application. Ms. Gillispie seconded the motion and the vote was unanimous in the affirmative.

There being no further business, Dan McNeill moved to adjourn the meeting. Dr. Wootan seconded the motion and the vote was unanimous in the affirmative. The time was 4:10 p.m.
