The Committee reviewed the applications for transfer of supervision. Dr. Sirajuddin moved to recommend for approval the following applications for transfer of supervision. Mr. Doran seconded the motion and the vote was unanimous in the affirmative. (ATTACHMENT 1)

The Committee reviewed the applications to add an additional position. Mr. Moore moved to recommend for approval the following applications to add an additional position. Mr. Flinn seconded the motion and the vote was unanimous in the affirmative. (ATTACHMENT 2)

After the vote, Robyn Hall advised that the applications for additions and transfers are previously reviewed by Committee Member, Todd Doran. However, Mr. Doran feels as though there might be a potential conflict of interest with a person in the position of program director reviewing applications of this kind. Mr. Flinn agreed that he and Lindsay Gillespie will take over reviewing the applications. Robyn Hall will contact Mr. Flinn in the near future to coordinate the review of such applications.

The Committee next reviewed the applications to add alternate supervising physicians to previously approved positions. Mr. Flinn moved to approve the applications. Mr. Doran seconded the motion and the vote was unanimous in the affirmative. (ATTACHMENT 3)

After the vote, Robyn Hall advised that all the material included in applications to add alternate supervision physicians to previously approved physicians has already been approved, thus, making a review during the committee meeting redundant. Ms. Hall further advised that presentation to the Committee of these applications is not required in the rules. Committee Chair stated that Staff is no longer required to provide "Additional Alternate for Previously Approved Position" applications for review and recommendation in future Committee meetings.

The Committee then heard from Committee Member, Todd Doran, for an update on the Jurisprudence Exam. Mr. Doran stated he felt like there might still be formatting issues with the exam as it was uploaded to website maintained by the Medical Board. Additionally, Mr. Doran asked Staff if there is a way to determine the pass/fail percentage for the exam. Robyn Hall will check with OK.gov to determine if the Committee may be provided a pass/fail percentage and she will also review the formatting of the exam and make the necessary corrections thereto.

Next Ms. Ijams advised the Committee that after careful review of the *Position Statement New Graduate Physician Assistants*, it became apparent to her that the Committee needed to wait

to see what will happen with the proposed law change before any revision to the *Position Statement* as it relates to the remote-care setting and supervision. Ms. Ijams stated she believes the new law will leave more ambiguity for what the Committee will consider as an appropriate setting for a new graduate.

There being no further business, Mr. Doran moved to adjourn the meeting. Mr. Flinn seconded the motion and the vote was unanimous in the affirmative. The meeting adjourned at 3:38 p.m.
