

Minutes

The Physician Assistant Advisory Committee of the Oklahoma Board of Medical Licensure and Supervision met on April 20, 2017, in accordance with the Open Meeting Act. The meeting was held at the office of the Board, 101 NE 51st Street, Oklahoma City, Oklahoma. Advance notice of this regularly scheduled meeting was transmitted to the Oklahoma Secretary of State on November 1, 2016 and posted on the Board's website on April 19, 2017. The notice and agenda were posted in prominent public view on the front doors of the Oklahoma Board of Medical Licensure and Supervision building located at 101 NE 51st Street, Oklahoma City, Oklahoma on April 19, 2017 at 8:30 a.m.

Members present were:

Don Flinn, PA-C, Chair
Charles Womack, MD
Louis Cox, MD
Scott Williams, DO
Anthony Sharp, MHS, PA-C
Lindsey Gillispie, PA-C
Shannon Ijams, MPAS, PA-C - OU-Tulsa, Program Director
Dan McNeill, PhD, PA-C – OCU, Program Director
Todd Doran, EdD, PA-C – OUHSC-OKC, Program Director

Members absent were:

Dennis Carter, DO

Others present included:

Reji Varghese, Deputy Director
Barbara J. Smith, Executive Secretary
Teresa Mitchell, Director of Licensing
Kenna Shaw, Administrative Licensing Technician
Lisa Cullen, Administrative Licensing Technician
Tiffany Wythe, AAG, Committee Advisor

Having noted a quorum, Mr. Flinn called the meeting to order at 3:01 p.m.

Scott Williams, DO, who was appointed by the Oklahoma State Board of Osteopathic Examiners to fill the non-member seat previously held by Gerald Wootan, DO, was introduced and welcomed to the Committee.

Following Committee review, Ms. Gillispie moved to approve the minutes of January 19, 2017, as written.

The first personal appearance scheduled on the agenda was **JEFFREY BLUE**, applicant for Physician Assistant licensure. Mr. Blue was not present when his matter was called, so Committee Chair re-ordered the agenda and moved to the next item.

ELIZABETH LEE appeared in support of her application for Physician Assistant licensure.

TODD DORAN, EdD, PA-C, RECUSED and stepped out of the meeting.

While Ms. Lee was in the Physician Assistant Program at the University of Oklahoma Health Sciences Center ("OUHSC"), she was placed on academic/disciplinary probation. Upon review of her file, the Oklahoma Medical Board Secretary requested that she appear before the Physician Assistant Advisory Committee. Ms. Lee stated that in June of 2015 she was put on academic probation for three months due to her grades, although she never failed any courses. Applicant stated she subsequently received a letter advising her probation was lifted on September 1, 2015.

In the spring of 2016, faculty scheduled a meeting with Applicant regarding her performance on the end of rotation examinations, in particular her "loss of focus" incidents. Her program director, Mr. Todd Doran, wrote a Performance Concerns Report ("PCR") and OUHSC changed its testing protocol. Subsequently, Applicant took her remaining exams on one of OUHSC's computers, rather than on her personal computer.

Ms. Lee stated, in regard to the "loss of focus" incidents, that she was not looking at other material during the testing, but that she was taking the test on her personal computer and her computer was not in a "lockdown browser mode". The letter from OUHSC which was provided for Committee review, states that Applicant admitted other material was up on her computer screen at the time of testing, but she denied that it was any test material.

The Committee pointed out that there were over 70 instances of "loss of focus", which is when material other than the test itself is pulled up on the computer. Committee members expressed concern that the seriousness of the PCR and academic issues seem to be minimized by the applicant. When asked how she could assure the Committee that she will be an honest and diligent provider, Ms. Lee again stated she was not looking at other material during the testing process and that the OUHSC PA Program made some major changes to its testing protocol and she complied with those changes.

The Committee stated, again, that it has concerns regarding this applicant. Ms. Lee stated she is very trustworthy and there are no reasons for concerns going forward. She has successfully graduated from the OUHSC PA program and has employment lined up, although her two potential supervising physicians (employers) are unaware of the "loss of focus" incidents because, Applicant stated, "that happened while I was in school and it is now behind me."

A discussion was had wherein the Committee agreed that, although there were concerns regarding this applicant, because she had been approved by her OUHSC PA Program Director for graduation, and had successfully graduated from the PA Program at OUHSC, she should be approved for licensure. Mr. McNeill moved to approve the application of **ELIZABETH LEE** for Physician Assistant licensure pending completion of the file to include successful completion of the National Commission on Certification of Physician Assistants examination. Ms. Ijams seconded the motion and the vote was unanimous in the affirmative.

*Mr. Doran did not return to the meeting at this time.

DANIELLE WHEAT appeared in support of her application for Physician Assistant licensure.

TODD DORAN, EdD, PA-C, RECUSED and remained out of the meeting.

Ms. Wheat was placed on academic probation with misconduct. Upon review of her file, the Oklahoma Medical Board Secretary requested that she appear before the Physician Assistant Advisory Committee. Applicant graduated from the Physician Assistant Program at the University of Oklahoma Health Sciences Center ("OUHSC") in December of 2016. She stated that she made a terrible decision, something she should not have done, and she was called in by faculty to discuss it. She told the OUHSC faculty she knew that she made a bad decision for which she had no excuse and she asked what she could do to make it right. The faculty told her that to ensure she had the academic ability necessary to complete the program, she needed to take a month off and also retake the two exams in question. Applicant complied with both requirements. She passed both exams, scoring a little higher than she did previously, and she graduated. Applicant took her board exams on January 9, 2017 and passed. Ms. Wheat has a job lined up at a family medical clinic which is being held for her until she is licensed. She has been allowed to shadow at the clinic part-time in the interim and in the afternoons she works a different job to make ends meet.

When questioned by the Committee, she advised that she photographed test questions. The Committee believed her to be remorseful, but told her if she had done that at the National Commission on Certification of Physician Assistants (NCCPA) level, she would have lost her entire career. Dr. Steven Watkins in Ardmore will be her supervising physician in Ardmore, Oklahoma, and her file is complete. The Committee discussed that, just like the applicant who appeared before Ms. Wheat in this meeting, because the applicant had been approved by her OUHSC PA Program Director for graduation, and had successfully graduated from the PA Program at OUHSC, she should be approved for licensure. Mr. McNeill moved to approve the application of **DANIELLE WHEAT** for Physician Assistant licensure. Dr. Womack seconded the motion and the vote was unanimous in the affirmative.

*Todd Doran rejoined the meeting

Next, the application of **JEFFREY BLUE** was called. Mr. Blue appeared in support of his application for Physician Assistant licensure. Ms. Mitchell advised that initially the licensing department was unable to determine during conversations with Mr. Blue if he had earned a certificate or a degree. Mr. Blue brought documentation with him that had not been previously provided to the licensing department. Upon review, it was determined that Mr. Blue had earned an Associate Degree in Science. Mr. Blue has practiced as a PA in the military serving in four combat deployments and is currently working with the Choctaw tribe. His application is incomplete. Mr. McNeill moved to approve the application of **JEFFREY BLUE** for Physician Assistant licensure pending completion of the file. Ms. Gillispie seconded the motion and the vote was unanimous in the affirmative.

Dr. Womack moved to approve the following complete applications for Physician Assistant licensure. Ms. Ijams seconded the motion and the vote was unanimous in the affirmative.

Mr. McNeill moved to approve the complete applications of **CARLOS DAVID LOPEZ** and **ALLISON JANELL SCOTT** for reinstatement of Physician Assistant licensure. Ms. Gillispie seconded the motion and the vote was unanimous in the affirmative.

Dr. Womack moved to approve the requests for additional positions (PA1) of **ADAM MANKIN (PA 1792)** and **ANGELA KING (PA 2658)**. **SCOTT WILLIAMS, DO, RECUSED**. Mr. Doran seconded the motion and the vote was unanimous in the affirmative. *(See Attachment #1)*

Dr. Womack moved to approve the remaining requests for additional positions (PA1) as presented. Ms. Gillispie seconded the motion and the vote was unanimous in the affirmative. *(See also Attachment #1)*

Dr. Womack moved to approve the requests for transfers (PA7) as presented. Mr. Doran seconded the motion and the vote was unanimous in the affirmative. *(See Attachment #2)*

Mr. Doran raised a question about a couple of the incomplete applications reviewed earlier regarding the notations that indicate these applications are "Endorsed by the NCCPA" even though they also indicate "NCCPA certification" as one of the deficiencies. Mr. Doran stated this has been discussed before and he would like the status of the applications to be accurately reflected. Mr. Reji Varghese said he will take a look at it and if NCCPA certification is shown as a deficiency, then the "Endorsed by" category should show "Pending" or be left blank.

Next, Teresa Mitchell provided the Committee, for purposes of review, a sample Letter of No Tolerance regarding late submissions of Form 5 information. The Committee directed Staff to insert the word "was" after the word "Packet" in the first sentence of the second paragraph. Further, the Committee pointed out, the last paragraph which references "zero tolerance" puts the challenge on the medical board to monitor. Mr. Doran questioned the mechanism to track whether a licensee has had this issue before. Mr. Varghese stated it is the Form 5 that tips Staff

off to the issue (when a Form 5 is backdated) and he said Staff is looking to the Committee for direction. Mr. Varghese also stated Staff is on its fifth revision of the Form 5. Ms. Gillespie moved to table taking any action on the Letter of No Tolerance until a monitoring system and a reasonable time frame has been established for a followup. Dr. Womack seconded the motion and the vote was unanimous in the affirmative. Committee stated they did not want this set on the next agenda. *(See Attachment #3)*

There being no further business, Ms. Gillispie moved to adjourn the meeting. Dr. Womack seconded the motion and the vote was unanimous in the affirmative. The time was 4:15 p.m.

Dear Mr./Ms. Name:

Oklahoma Statutes in Title 59 § 519.6. states, "No health care services may be performed by a physician assistant unless a current application to practice, jointly filed by the supervising physician and physician assistant, is on file with and approved by the State Board of Medical Licensure and Supervision."

The current PA Supervision Packet submitted on _____ to OSBMLS. It appears that you have been practicing as a Physician Assistant in the state of Oklahoma for a period of time before the current PA Supervision Packet was reviewed and approved by the Board.

It is the Committee's position that in the future, there will be zero tolerance if you practice as a Physician Assistant without a valid license. A copy of this letter will be placed in your public file. If you have any questions in this regard, please do not hesitate to contact me.

Sincerely,

Billy S. Stout, M.D.
OSBMLS Board Secretary
