Having noted a quorum, Mr. Flinn called the meeting to order at 3:01 p.m.

Next, the Committee accepted nominations for the position of Committee Chair pursuant to *59 O.S. § 519.C*. Dr. Womack moved to nominate Don Flinn to serve as Committee Chair. Dr. Cox seconded the motion and the vote was unanimous in the affirmative with Don Flinn abstaining.

*Mark Britton joined the meeting

Following Committee review, Dr. Cox moved to approve the minutes of April 19, 2018, as written. Mr. Sharp seconded the motion and the vote was unanimous in the affirmative.

Mr. Flinn reordered the agenda to allow compilation of Laura Soper's (applicant) documentation.

Next, Mr. Flinn opened a discussion regarding adding an additional Physician Assistant ("PA") member to the Oklahoma Medical Board. Mr. Flinn stated he would like to know if the Medical Board would support the PA Committee's request to add a PA to the Board. Additionally, Mr. Flinn mentioned that he could contact the new governor to determine if a licensed PA could serve in the role of Lay Member. Mr. Kelsey advised he will gather information to determine how many medical boards have PAs currently seated.

Mr. Flinn then led a discussion regarding alleviating "Primary" and "Alternate Physicians" and moving to "Supervising Physicians" for Physician Assistants ("PAs"). Mr. Flinn explained that a PA currently might have 25 alternate supervising physicians ("alternates"), but only one primary supervising physician ("primary"). The supervising physicians are usually hired by the company or hospital and then that company will hire mid-level practitioners. There is concern regarding what happens when the primary retires; is the PA still allowed to practice? Mr. Kelsey stated there is some confusion with the laws and rules, which might require some legislative action to pin down how many mid-levels may be supervised at any one time between the MD and DO boards. Mr. Kelsey stated he would review the current rule language regarding the supervision of mid-level practitioners. The Committee issued a staff directive to Barbara Smith to add action items regarding the issues of "PAs not able to practice without a primary" and "Change 'Primary' and 'Alternating' as it pertains to supervising physicians to 'Supervising'" on the agenda for the October 25, 2018 meeting. Mr. Kelsey and Mr. Flinn will get together regarding specific information concerning these items.

Next, **LAURA SOPER** appeared in person in support of her application for re-entry of Physician Assistant licensure. Kenna Shaw stated the applicant last practiced in July of 2016 due to health reasons. She currently does not hold other state licenses or NCCPA certification and her OK license lapsed on April 1st of 2017.

Ms. Gillispie moved to approve the application of **LAURA SOPER** for re-entry of Physician Assistant licensure pending completion of the file. Dr. Cox seconded the motion and the vote was unanimous in the affirmative with Mark Britton abstaining.

The Committee then reviewed applications for licensure. Ms. Gillispie moved to recommend approval of the following incomplete applications for Physician Assistant licensure pending completion of the files. Mr. Sharp seconded the motion and the vote was unanimous in the affirmative.
