**CATHERINE CHANDLER**, applicant for Occupational Therapist licensure, appeared via the Zoom web conferencing platform in support of her request for modification to the CEU requirements which were recommended by this committee in January of this year. She has completed approximately half of her required supervision hours, but lacks approximately 32 required on-site CEU hours. Due to the COVID-19 Pandemic, all on-site courses are currently shut down and only on-line courses are available. She is certified through the National Board for Certification in Occupational Therapy and has done some activities with the Navigator. Following Committee discussion and in light of the COVID-19 Pandemic, Ms. White moved to modify the CEU recommendations from the January 30, 2020 committee meeting to allow Ms.
