Rachel Herbert advised there are not any CEUs provided to the Committee because she is not receiving timely responses from the CEU review subcommittee. Because some of the CEUs are from April of 2021, Rachel will send those individually to Committee members for review prior to the next meeting.

Ms. Garza opened a discussion regarding providing "CEU expectations” to all interested parties. She provided a handout to the Committee for its review. After review and discussion, Ms. Garza issued a staff directive to Lisa Cullen to send out a blast email regarding CEU expectations based on the information provided in the handout (plus the Telehealth CEU requirement) to all academic program directors, all practitioners, and OKOTA. Ms. White will provide a list of academic programs and directors to Lisa. In the future, a CEU recorded session presented by Ms. Garza may be available on our website in some form. Ms. Garza will visit with OKOTA regarding the possibility of presenting at an upcoming meeting. Ms. Garza will update the handout to show two required telehealth CEUs and provide the updated copy to Lisa. An update of this matter and a demo of the PT CEU review portal will be placed on the agenda for the next meeting. *(See Attachment #1)*

Under “New Business,” Ms. Garza received information yesterday regarding NBCOT presenting a virtual regulatory seminar in September. It is open to practitioners as well as to employees of state regulatory agencies. Ms. Garza will provide the information to Barbara Smith for distribution to the committee members.

There being no further business, Ms. Garza moved to adjourn the meeting. Ms. Tate seconded the motion and the vote was unanimous in the affirmative. The time was 10:01 a.m.
