

The Oklahoma State Medical Association Presents an Update on Proper Prescribing

Featured Speaker: Cori H. Loomis, J.D., Christensen Law Group, P.L.L.C.

Signed into law in 2018, Oklahoma's Senate Bill 1446 mandates that all physicians complete one hour of CME in pain management per year. To help Oklahoma's physicians better understand how this new law impacts their practice and patients, the Oklahoma State Medical Association is hosting special CMEs in Oklahoma City and Tulsa.

This one-hour event offers insight to the legal issues affecting pain management and an overview of the new laws connected with prescribing opioids to patients.

All Oklahoma physicians with a DEA license are required to take this one hour course each year. This CME credit is due by the physician's renewal date, not calendar year.

2020 Program Dates

Friday, Feb. 21 • 12 p.m. to 1 p.m.	Oklahoma State Medical Association, 313 N.E. 50th, Oklahoma City, OK 73105

Accreditation Statement:

The Oklahoma State Medical Association (OSMA) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The OSMA designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The Faculty, CME Planning Committee and Reviewer have no relevant financial relationships to disclose.

The OSMA CME Manager has reviewed all speaker information and has resolved all conflicts of interest if applicable.

The Oklahoma State Medical Association has been surveyed by the Accreditation Council for Continuing Medical Education (ACCME) and awarded Accreditation with Commendation for six years as a provider of continuing medical education for physicians.

The ACCME accreditation seeks to assure the medical community and the public that the Oklahoma State Medical Association provides physicians with relevant, effective, practice-based continuing medical education that supports US health care quality improvements.

The ACCME employs a rigorous, multilevel process for evaluating institutions' continuing medical education programs according to the high accreditation standards adopted by all seven ACCME member organizations. These organizations of medicine in the US are the American Board of Medical Specialties, the American Hospital Association, the American Medical Association, the Association for Hospital Medical Education, the Association of American Medical Colleges, the Council of Medical Specialty Societies, and the Federation of State Medical Boards of the US, Inc.

*** This educational activity meets the Oklahoma State Board of Medical Licensure & Supervision annual licensure renewal requirement for 1 hour of education in pain management or 1 hour of education in opioid use or addiction. This educational activity meets the Oklahoma State Board of Medical Licensure & Supervision annual licensure renewal requirement.**
