Next, the Committee discussed the reapproval process for Professional Development Providers through CE Broker. Ms. Harrison referred to Okla. Admin. Code 435:20-9-3.1.1(b) which states “Once a provider is approved, the professional development activities offered by that organization are approved for credit and no application must be made to the Board for approval.” Since there is no “reapproval” process set forth in the law/rules, all previously approved providers are authorized to renew each compliance period through CE Broker.

Under “New Business,” Ms. Smith discussed with the Committee protocol related to applicant’s questions regarding potential recommendations of the Committee prior to a motion and vote. Sometimes, allowing an in-depth discussion with an applicant about what the Committee is thinking or what it is “leaning towards” as far as recommendations, can lead to confusion for the applicant if the actual motion differs from part of the discussion. The Committee thanked Ms. Smith for the information.

There being no further business, Ms. Berry moved to adjourn the meeting. The time was 11:21 a.m.
